Year 4: Science, Mathematics and HASS

Activity 4: Rainfall in Tasmania – Rainfall results

How much rain?

Check your rain gauge each day for a week. Record your results in the table below.

The table also has a column for your observations.

Write or draw a symbol to describe the weather (sunny, cloudy, windy, hot, cold).

Date	Time	Rainfall (mm)	Weather Observations (what do you notice about the weather)

Year 4: Science, Mathematics and HASS

Activity 4: Rainfall in Tasmania – Rainfall results

1. Which day had the most rain?

2. Which day had the least amount of rain?

3. Can you see any patterns between your weather observations and rainfall?

Create your own picture graph

Year 4: Science, Mathematics and HASS

Activity 4: Rainfall in Tasmania – Rainfall results

Create your own bar or column chart.

Remember to give your chart a title and decide on headings for the horizontal (across) and vertical (up and down) axis.
