

PUBLIC ANNOUNCEMENT

Electricity Tariffs on King and Flinders Islands

The following tariff schedule is published under the provisions of the *Electricity Supply Industry Act (1995)* and Regulation 5(1) of the *Electricity Supply Industry (Tariff Customers) Regulations 2008*.

The following schedule should be read in conjunction with Hydro Tasmania's Standard Tariff Agreement and Customer Charter for King and Flinders Islands.

Tariffs have increased by approximately 1.46% as a result of inflation since the last increase in charges on 1 January 2009.

Cancellation of Service

Electricity will be supplied to customers on the basis of the published tariffs as from 1 January 2010 and any customer not wishing to receive power on that basis should notify Hydro Tasmania's service provider, Aurora Energy, to arrange a disconnection.

King and Flinders Islands Supply, All Customers – Tariff 51

- Connection fee for rental premises.....\$60.14
- Reconnection of all or part of an electrical installation after disconnection requested by the customer while in constant occupancy.....\$75.28
- Special meter reading taken at customer's request.....\$75.28
- Attendance by an authorised officer of Hydro Tasmania or its service provider, Aurora Energy, at premises to disconnect supply for which payment is overdue:
 - Where payment of the overdue account is made.....\$30.07 or
 - Where payment of the overdue account is not made and the supply is disconnected and subsequently reconnected.....\$60.14
- Deposit for test of accuracy of a meter at the customer's request where the meter has been tested in the previous twelve months.....\$96.95
- Time-switch adjustment at customer's request.....\$96.95

Reconnection fees

A customer who requires supply or a portion thereof to be disconnected and, after the date of the disconnection, requires the same electrical installation to be reconnected, must pay the scheduled fee and any services charge applicable under the relevant tariff for the period of disconnection.

The above supply fees are unchanged from those advertised on 1 July 2009. The supply fees will remain at stated rates until 30 June 2010.

Supply fees are the standard fees charged by Aurora Energy on mainland Tasmania and will be adjusted on 1 July each year.

General

New tariffs will be applied on a pro-rata basis commencing with the first customer bills issued after 1 January 2010.

Further Information

If you require further information regarding the tariffs, please call Hydro Tasmania's service provider, Aurora Energy, on 1300 132 003 (local call fee only).
