

# Electricity tariffs on King and Flinders Islands.

The following tariff schedule is published under the provisions of the *Electricity Supply Industry Act 1995*. It should be read in conjunction with the Standard Terms and Conditions for Bass Strait Islands Customers and the Bass Strait Islands Customer Charter, copies of which can be found at [momentum.com.au/bass-strait-islands](https://momentum.com.au/bass-strait-islands). You'll find information about your solar feed-in tariff at [momentum.com.au/bass-strait-islands](https://momentum.com.au/bass-strait-islands).

**The new energy tariff from 1 August 2021 will be 25.95c per kWh.**

Tariff 51 and daily supply charges have decreased by 9.055%. The pricing for public lighting, contract lighting and the schedule of service fees is based on TasNetworks' 2021–22 rates for mainland Tasmania.

## **Concessions**

Pensioners, Health Care Card, Immigration Card or Community Detention Card holders may be entitled to receive a rebate.

## **Life support and medical cooling or heating**

Some customers on life support equipment or who have a condition that requires additional cooling or heating, may be entitled to receive a discount depending on the type of equipment they use. You'll find more information at [concessions.tas.gov.au](https://concessions.tas.gov.au).

## **GST**

All prices include Goods and Services Tax (GST).

## King and Flinders Islands supply, all customers

Daily services charge .....	75.86 ¢ per day
Daily meter charge .....	7.44 ¢ per meter per day
Tariff 51 (energy all units) .....	25.95 ¢ per kWh

## Connection fees – New builds and upgrades

- (a) For requirements of up to 25kVA, \$1,981.31, plus \$441.54 per kVA of capacity in excess of 4.5kVA. For requirements above 25kVA, actual cost of replacement or installation, including all material, labour, overhead, delivery and other relevant incidental costs; and
- (b) The actual costs incurred in extending or augmenting the distribution system having regard to the installation of new poles and wires, plus 15% to cover maintenance and service costs.

## General

The new tariffs will be applied on a pro-rata basis commencing with the first customer bills issued after 1 August 2021. The above fees and charges will be adjusted on an annual basis.
