

Computers, ICT & monitors

Activity: Detective work in your school

Group members: _____

Detective work	Yes/No	What could be done to save energy?
Does your school have 'switch off' reminders around the school?		
Do school computers have an auto shutdown program installed?		
Do computers and monitors sit on 'Standby mode' when not in use?		
Do computers and monitors get switched off at the end of each day?		
Are screen savers being used at school? (Screen savers use a lot of energy. You can set them to 'none' or 'blank')		
Does your school recharge devices during off-peak hours? (This can reduce cost)
