

Lighting

Activity: Detective work in your school

Group members: _____

Detective work	Yes/No	What could be done to save energy?
Are low-energy LED lights being used in the school?		
Are the security lights outside LED lights?		
Does your school have a 'Lights-off initiative' (a school-wide plan for keeping lights off when not needed)?		
Are lights turned off in the classrooms or staff room when they are not needed (during recess, lunch, after school, when there is enough daylight)?
