

Form variations to suit user, system / software constraints, legal requirements or corporate requirements are permissible, as long as the intent of the form is not compromised.

Any person wishing to carry a firearm or hunt on Hydro Tasmania land will require a licence issued by Hydro Tasmania. Licences may be issued in the following circumstances:

- Individual licence: to allow contractors the use of a firearm to control pest and vermin; or to allow persons to carry a firearm across Hydro Tasmania land in order to access hunting zones on adjoining land.
- Association licence: to allow members of a hunting association to hunt prescribed game within selected areas and at specified times and dates.

Hydro Tasmania reserves the right to prohibit use of firearms on its lands and lakes where the safety of its employees, the public or its infrastructure assets may be compromised and to limit damage to environmental values of particular areas.

Completed application forms should be submitted to applications@hydro.com.au.
