

# Hot water, water coolers, Tea & coffee urns

## Activity: Detective work in your school

Group members: \_\_\_\_\_

<b>Detective work</b>	<b>Yes/No</b>	<b>What could be done to save energy?</b>
Are there water cooler fountains in your school? Are they left on overnight and on weekends?		
Is the hot water from the faucet set to a high temperature?		
Does the staff room have a hot water urn?		
Does the hot water urn in the staff room get turned off right after school, on weekends and over holidays?		
Does the hot water urn run on a timer?
