

Certificate of Approval

This is to certify that the Management System of:

Hydro-Electric Corporation

4 Elizabeth Street, Hobart, 7000, Australia

has been approved by LRQA to the following standards:

ISO 14001:2015, ISO 45001:2018

Approval Number(s): ISO 14001 – 00051266, ISO 45001 – 00051267

This certificate is valid only in association with the certificate schedule bearing the same number on which the locations applicable to this approval are listed.

The scope of this approval is applicable to:

Operation, maintenance and management of electricity generation facilities including power stations (hydroelectric, solar, diesel and wind), distribution network, associated lakes and waterways.

This certificate is a continuation of a previous approval from another certification body as follows:

Previous original ISO 14001 approval on 15-May-1998, BSI certificate number EMS 603522

Previous original ISO 45001 approval on 28-Jan-2020, BSI certificate number OHS 603523

Fotis Kampouris

Executive Vice President APAC

Issued by: LRQA Limited – Australia Branch

LRQA Group Limited, its affiliates and subsidiaries and their respective officers, employees or agents are, individually and collectively, referred to in this clause as 'LRQA'. LRQA assumes no responsibility and shall not be liable to any person for any loss, damage or expense caused by reliance on the information or advice in this document or howsoever provided, unless that person has signed a contract with the relevant LRQA entity for the provision of this information or advice and in that case any responsibility or liability is exclusively on the terms and conditions set out in that contract.

Issued by: LRQA Limited – Australia Branch, Level 23, Tower 5, Collins Square, 727 Collins Street, Melbourne VIC 3008, Australia
