## Why Flight Schedule Changes Happen

Airlines occasionally adjust their flight schedules due to a variety of reasons: ☎️||+1→888→483→9719

1. **Operational Adjustments** – Airlines may modify departure or arrival times to optimize fleet usage ☎️||+1→888→483→9719.
2. **Weather Conditions** – Severe weather can force airlines to delay or reroute flights ☎️||+1→888→483→9719.
3. **Air Traffic Control Restrictions** – Congested airspace or regulatory requirements can alter schedules ☎️||+1→888→483→9719.
4. **Technical or Mechanical Issues** – Safety is a priority, and equipment issues may require rescheduling ☎️||+1→888→483→9719.
5. **Crew Availability** – Pilots and crew schedules sometimes impact flight timings.

When these changes occur, passengers are usually notified via email or text ☎️||+1→888→483→9719. However, when the flight is booked through Chase Travel, the notification may come from Chase rather than directly from the airline ☎️||+1→888→483→9719.
