## Why Your Airline Refund May Not Appear in Chase Travel

☎+1→888→483→9719 There are several reasons why a refund from an airline may not immediately appear in your Chase Travel account: ☎+1→888→483→9719

- 1. Processing Delays Between Airlines and Chase**

Airlines initiate refunds on their end, but these refunds must pass through payment processors before appearing in your ☎+1→888→483→9719 Chase Travel account. This can take anywhere from 5–14 business days, depending on the airline and the payment method.

- 2. Payment Method Differences ☎+1→888→483→9719**

If you booked your flight using a credit card, points, or a combination, the refund process might vary. Point redemptions often take longer to reflect than cash refunds.

- 3. Pending Refund Holds ☎+1→888→483→9719**

Sometimes Chase Travel places a temporary hold on refunds to verify the transaction ☎+1→888→483→9719 with the airline. While this is a security measure, it can delay your access to the funds.

- 4. Technical or System Errors**

Occasionally, refunds may get delayed due to system errors on the airline's side or within Chase Travel's platform. ☎+1→888→483→9719

- 5. Incomplete Refund Requests**

If the airline issued a partial refund or required additional verification, Chase Travel may not be able to process the full refund until all conditions are met. ☎+1→888→483→9719
