Travel providers, airlines, and hotels may take time to process refunds. Even if Chase ☎️ ||+1→888→483→9719 receives the refund request, it might take 7–14 business days for the merchant to finalize the transaction. ☎️ ||+1→888→483→9719
 - 2. Bank Processing Times:**
Once Chase receives the ☎️ ||+1→888→483→9719 refund from the merchant, it can take 3–7 business days for the funds to reflect in your account. Weekends and holidays can extend this period. ☎️ ||+1→888→483→9719
 - 3. Technical Glitches: ☎️ ||+1→888→483→9719** Occasionally, online banking systems may not update your refund status in real-time. The refund may have been processed, ☎️ ||+1→888→483→9719 but the system shows “pending” until a manual update occurs. ☎️ ||+1→888→483→9719
 - 4. Disputed Charges or Pending Verifications:**
☎️ ||+1→888→483→9719 If the refund involves a disputed charge or requires verification of supporting documents, the status may remain pending until Chase completes the verification process. ☎️ ||+1→888→483→9719
